2. Super Cycle 14<sup>94</sup>

1. Strato Cycle 12<sup>94</sup>

**1** Evel Knievel Strato Cycle. Just like the one he rides in his movie "Viva Knievel!" Does the jumps, tricks and "wheelies" of the Super Cycle (2), but does them with all the red-white-blue excitement of the 4th of July! Just the bike for the king of stuntman, with its bullet-shaped cowl, screaming eagle design. 9x4-in. cycle comes with Figure and Energizer. For ages 5-11. 48T23384—Wt. 2 lbs. 5 oz. 12.94

**2** Evel Knievel Super Cycle. Rev up the bike in the energizer and watch it race at top speed... even performs "wheelies." 10<sup>1/2</sup> in. long with fire-red plastic jet pods. Energizer, Figure included. 48 T 23303—For Ages 5-11. Wt. 2 lbs. 8 oz. 14.94

**3** Evel Knievel C.B. Van actually broadcasts 6 popular C.B. expressions in Evel's own voice. Red, white and blue 12x6<sup>1/2</sup>x9-in. high. California-style van comes with gull-wing door, rear-mount bike rack and other accessories. Jump rack hooks onto end so Evel can vault over van. Needs 1 "AA" battery (sold p. 335). 48 T 23385—For ages 5-11 years. Wt. 4 lbs. 5 oz. 13.94

16-in. Electro Man™ 19<sup>94</sup>

The first truly electronic toy! Equipped with 3 electronic nodes, he talks, responds to commands, seems almost alive. Prevents friend and foe alike from entering your domain unheeded with a warning whoop or beam of light. Needs 3 "C" batteries (order p. 335). 48 T 23090—Ages 5-up. Wt. 2 lbs. 19.94

17-in. Zogg™ The Terrible™ 14<sup>94</sup>

Half-man, half-monster, Zogg drops his hairy arms and topples to the ground if hit by a beam of light. A perfect target for Electro Man™ (left), or for you with your trusty ray gun (incl.). Batteries not incl.—order pg. 335; 2 "C" cell for gun, 3 "D" cell for Zogg himself. 48 T 23091—Ship. wt. 2 lbs. 14.94

17-in. Whistling Mr. Machine® 13<sup>99</sup>

Remember Mr. Machine... that whirring, clanking, good-natured mechanical friend? For years he was one of America's most beloved toys and now—he's back to delight a whole new generation of children. Just wind up his spring motor and he will strut across the floor—legs swinging, levers and gears and springs and bellows working away in plain sight. A transparent delight bound to intrigue youngsters 5 and over—by the hour. More fun than ever—he whistles a catchy tune now—"This Old Man." 48 T 23386—Ship. wt. 2 lbs. 13.99

SINGLE HANDBALL

- ✓ Plays on any television, black & white or color!
- ✓ Installs in minutes by attaching to antenna—will not interfere with normal reception

TV Fun Game offers the latest in electronic game features. Four game system lets you play tennis, hockey, racquet ball or handball singles (one player). Play action produces three distinct sounds—top/bottom rebounds, hits and scores. Start game by pressing the reset button, ball is automatically served and score display set to zero. **Tennis** play proceeds like the real game. When a player misses, the other player is automatically given a point. **Hockey** game gives each player a goalie plus a forward in the opponent's zone. Puck can be passed between goalies and forwards and maneuvered into scoring position. Automatic face-off after goal is scored. **Racquet ball** sets up three-sided court. Ball is served automatically and players hit ball off forward wall. Player scores automatically when other misses. Individual bat size, angle and ball speed controls give you 32 different game combinations as your playing ability develops from "amateur" to "professional" level. Television not included, order on pages 278-281. Requires house current adapter or 6 "C" batteries (not included). Order separately below. Was 59.88 in '77 Fall Big Book, page 573.
