

There's a little Evel in all of us.

XL-1000, XLCH-1000.

FX-1200, FXE-1200.

FLH-1200.

SX-250.

SX-175.

SX-125.

Z-90.

X-90.

Harley-Davidson. 1975.

Follow the lead of Evel Knievel. To the AMF Harley-Davidson world of freedom.

Expressed in this full line of motorcycles from 90cc's through 1200.

10 different ways to find the Great American Freedom you're looking for. They're all at your AMF Harley-Davidson dealers. Right now. Come on in.

FLH-1200. The ultimate. 1200cc four-stroke V-twin. Hydraulic disc brakes front and back.

FX-1200, FXE-1200. V-twin 1200cc. FX with traditional kick start, FXE with electric start.

XL-1000, XLCH-1000. XL for positive electric start. XLCH for traditional kick start. V-twin 1000cc engine.

X-90. The little off-road machine that's built like a big one. Two-stroke 90cc engine. Four-speed box. True motorcycle suspension. X-90 not manufactured for street or highway use. Check your local laws.

SX-250. We've put it all together in this great new on/off road machine. 250cc chrome bore two-stroke single cylinder. Five speeds. Adjustable rear shocks. Full electrics in-

cluding solid state CDI ignition. Quick change ISDT rear hub.

SX-175. Brother to the SX-250. High performance. Dependability. On or off the road.

SX-125. Dependable two-stroke for street or trail. Five speeds. Adjustable rear shocks. Reset odometer.

Z-90. The lightweight answer to on-off road fun. Oil-injected, 90cc two-stroke. Four speeds. Full electrics.

Harley-Davidson believes in safety first. Before you start out—put on your lights, your helmet—and watch out for the other guy.

The Great American Freedom Machines.

If it makes you look better,
feel better, ride safer,
ride better...your Harley-Davidson
dealer has it. At your Great
American Freedom
Headquarters.

Your Harley-Davidson dealership. The one-stop where you get it all. The right motorcycle to begin with...and everything else to go with it. Helmets, leathers, goggles, jackets, boots. Good stuff. And lots of it. One of the most complete lines of riding accessories anywhere. To dress you up in style. And your bike as well.

When you're ready to move out front, your Harley-Davidson dealer stands behind you. With factory-trained mechanics and a complete inventory of parts. Plus insurance, financing—you name it.

If you're into motorcycling, come into the right place—your Great American Freedom Headquarters.

AMF Harley-Davidson, Milwaukee, Wisconsin 53201
Member Motorcycle Industry Council.
